Pre-Enrollment Checklist
Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a customer service representative at 1-800-833-2364 (TTY: 711).

Understanding the Benefits
☐ Review the full list of benefits found in the Evidence of Coverage (EOC), especially for those services that you routinely see a doctor. Visit Humana.com/medicare or call 1-800-833-2364 (TTY: 711) to view a copy of the EOC.
☐ Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
☐ Review the pharmacy directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.

Understanding Important Rules
☐ In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
☐ Benefits, premiums and/or copayments/co-insurance may change on January 1, 2020.
☐ Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).

More about Humana Gold Plus H1036-275 (HMO)

Do you have Medicare and Medicaid? If you are a dual-eligible beneficiary enrolled in both Medicare and the state’s program, you may not have to pay the medical costs displayed in this booklet and your prescription drug costs will be lower, too.

If you have Medicaid, be sure to show your Medicaid ID card in addition to your Humana membership card to make your provider aware that you may have additional coverage. Your services are paid first by Humana and then by Medicaid.

As a member you must select an in-network doctor to act as your Primary Care Provider (PCP). Humana Gold Plus H1036-275 (HMO) has a network of doctors, hospitals, pharmacies and other providers. If you use providers who aren’t in our network, the plan may not pay for these services.
